

Meeting Agenda

Date: 16/5

Facilitator: Rebecca

Secretary: Rebecca

Participants: Maija, Rebecca, Andrea, Lisa

1. Objectives

No major problems.

2. Reports

Everyone: Today everyone MUST continue working on the SDD.

Lisa: Fixed animation of player. Started looking at animation of the characters.

Maija: Done with the MVC-refactoring. Started looking into with changing views and states.

Andrea: Continued working on enterNewWorld, some small problems. Not done interactionView, waited for Maija.

Rebecca: Done with progressView for now.

3. Discussion items

Discussion about the code.

Almost done with use cases just need to continue with the UI for it.

4. Outcomes and assignments

Everyone: SDD!!!!!!

Lisa: Working with animation of the characters. Fix the walkAway method for characters.

Andrea: EnterNewWorld to work. Interact with character when states are finished.

Maija: States, when done start with interaction with characters together with Andrea

Rebecca: Create new worlds.

5. Wrap up

Thursday 19/5 at 10.
